7th International Symposium on Image and Signal Processing and Analysis ISPA 2011

September 4-6, 2011, Dubrovnik, Croatia

<http://www.isispa.org>

Call for Papers

The 7th International Symposium on Image and Signal Processing and Analysis (ISPA 2009) will take place in Dubrovnik, Croatia, from September 4-6, 2011. The scientific program of the symposium consists of invited lectures, regular papers, and posters. The aim of the symposium is to foster interaction of researchers and exchange of new ideas. Prospective authors are invited to submit their manuscripts reporting original work, as well as proposals for special sessions.

Co-Operations and Co-Sponsorships

- European Association for Signal Processing (EURASIP)*
- IEEE Croatia Section
- IEEE Croatia Section Signal Processing Society Chapter
- IEEE Region 8*

Symposium Topics

- | | |
|-------------------------------------|----------------------|
| A. Image and Video Processing | D. Signal Processing |
| B. Image and Video Analysis | E. Signal Analysis |
| C. Image Formation and Reproduction | F. Applications |

For a detailed list of conference themes please visit ISPA 2011 web site.

Important Dates

Submission of full paper: May 15, 2011

Notification of acceptance/rejection: June 15, 2011

Submission of camera-ready papers and author registration: June 30, 2011

Symposium Venue

ISPA 2011 will be organized in Dubrovnik, Croatia, which is located on the Adriatic Sea coast in the extreme south of Dalmatia. George Bernard Shaw was enchanted by this beautiful city, about which he said "those who seek paradise on Earth should come to Dubrovnik and see Dubrovnik", as well as, famously, describing it as "the pearl of the Adriatic". Dubrovnik, with its amazing Old Town, became a UNESCO World Heritage site in 1979.

Author Information

Papers including title, author list and affiliations, figures, results, and references should not exceed six A4 pages. Detailed author instructions are available on the ISPA web site. All submissions will be subject to an international peer-review process. The symposium publications are abstract book and CD-ROM proceedings. Accepted papers will be available through IEEE Publications Center and in IEEE Xplore digital library. Authors of accepted papers are required to register and present the paper.

Call for Special Session Proposals

Prospective organizers of special sessions are invited to send proposals to Special Session Chair, according to instructions provided on the ISPA web site.

Best Student Paper Award

Best Student Paper Award in the amount of 300 EUR will be given to a student author. The student's name must appear first on the paper and the paper must be presented at the symposium to be eligible for the award.

Social Events

Welcome reception, gala-dinner, and a sightseeing tour of Dubrovnik.
