## Kobe City, Japan

Kobe City, known for the prestigious port in Japan, is one of the most important cities leading culture and technology in Japan. It is located in the center of Japan and a part of Kansai area where includes historical cities such as Kyoto and Nara and the economic hub city such as Osaka. These cities are connected just in an hour from Kobe. People enjoy different taste of these cities: the modern and sophisticated atmosphere in Kobe, energetic people in Osaka and historical streets in Kyoto and Nara.
