IEEE PacificVis 2012: Call for Papers

The 5th IEEE Pacific Visualization Symposium (PacificVis 2012) will be held in Songdo, Korea from February 28 to March 2, 2012. PacificVis is an IEEE sponsored international visualization symposium held in the Asia-Pacific region, with the objective to foster greater exchange between visualization researchers and practitioners, and to draw more researchers in the Asia-Pacific region to enter this rapidly growing area of research.

Authors are invited to submit original and unpublished research and practical applications in all areas of visualization. Suggested topics include, but are not limited to:

Visualization Taxonomies and Models	Visual Analysis and Knowledge Discovery
Spatial Data in Visualization	Time-varying Data Visualization
Non-Spatial Data in Visualization	Applications
Display and Interaction Technology	Graph Drawing
Hardware for Visualization	Collaborative / Social Visualization
Evaluation and User Studies	Security Visualization
Large Data Visualization	Network Visualization

All accepted papers will be published by IEEE and also included in the IEEE Digital Library. Authors of selected research papers of outstanding quality will be invited to submit an extended version to IEEE Transactions on Visualization and Computer Graphics.

Important Dates
Paper submission deadline: September 26, 2011, 11:59pm (KST)
