WACV 2015: IEEE Winter Conference on **Applications of Computer Vision**

Waikoloa Beach Marriott Resort & Spa, Big Island, Hawaii, January 6-8, 2015

http://www.wacv2015.org/

Every year new Computer Vision innovations come out from academia and industry, and are subsequently proven to be effective for real world systems. This is due to the great efforts put by a diverse group of people who develop a wide variety of practical applications. This conference will provide a forum to share and expose the latest contributions and recent developments to the computer vision community.

Topics of interest for computer vision applications include:

3-D modeling

Bio-imaging/Imaging Bioinformatics

Action Recognition

Motion/Stereo Processing and

Augmented Reality

Biometrics

Object Recognition

Computational Photography Performance Evaluation

Document Analysis

Real-time Tracking

Face Detection

Remote Sensing

Face Recognition

Scene Understanding Gesture/Hand Recognition Segmentation and Grouping Early and Biologically-Inspired Vision

Security/Surveillance Human Motion Analysis/Capture

Statistical Methods and Learning

Human-Computer Interaction

Vision for Graphics

Image/Video Indexing and Retrieval

Vision for Robotics

Industrial Inspection

Big Data and Vision Applications Analysis of Scientific Data

Special sessions on real time systems, big data and PhD forum are planned. Computer vision applications leaders will be invited for presenting challenging problems. Demonstrations are encouraged with the posters. Additionally, there will be demonstrations from industry and universities. Challenge workshops and tutorials are also planned.

IMPORTANT DATES

First Round Submission: Jun 25, 2014, 17:00 HST (NO extensions!!)

First Round Author Feedback: Aug 4-7, 2014 First Round Decisions Announced: Aug 15, 2014

Second Round Submission: Sep 20, 2014 (17:00 HST)

Second Round Author Feedback: Oct 20-23, 2014

Second Round Decisions: Oct 30, 2014

Camera-ready copy: Nov 14, 2014

Early Registration ends: Nov 21, 2014, 17:00 HST Hotel Reservation cutoff: Nov 24, 2014, 17:00 HST

Deadlines for Documents/Proposals:

- Tutorial June 30, 2014
- Workshop June 30, 2014
- Demonstration Sept. 15, 2014
- Ph.D. forum Nov. 7, 2014

Conference: Jan. 6-8, 2015

General Co-Chairs

- Bir Bhanu, UCR
- Dorin Comaniciu, Siemens
- Gerard Medioni, USC
- Rakesh (Teddy) Kumar, SRI International

Program Co-Chairs

- Bahram Parvin, LBNL
- Fatih Porikli, ANU
- Subhodev Das, SRI International
- Sudeep Sarkar, USF

Publication Chair

• Eric Mortensen, Lucidyne **Technologies**

Finance & Local Arrangements Chair

Ninad Thakoor, UCR

Publicity Chair

- Ambrish Tyagi, Amazon
- Charless Fowlkes, UCI
- Yuan Li, USTB

Demo/Workshop/Tutorial Chair

Nuno Vasconcelos, UCSD

PhD Forum Chair

Amit Roy-Chowdhury, UCR

Steering Committee

- Anthony Hoogs, Kitware
- Bryan Morse, BYU
- David Michael, Cognex
- Terrance Boult, UCCS
